# WORKING IN TEAMS & HEADING OFF FAILURE

# Your projects will fail because of lack of collaboration, poor communication, and inefficiencies in working process.

# Your projects will fail because of lack of collaboration, poor communication, and inefficiencies in working process.

### Division, compromise, consensus, harmony

Given: you will not always agree with one-another. The question is – what do you do about it?

### Setting ideas free

"My idea"

"Your idea"

"Our idea"

"The idea"

"An idea"

### **Committing to tasks & deliverables**

What will be done?

How will it be done?

At what level of detail will it be done?

Who will do it?

When will it be done?

### Showing up

# All-in, or none at all.

## +/- of divide and conquer.

# Your projects will fail because of lack of collaboration, poor comunication, and inefficiencies in working process.

### Asking for help

Your teams are not isolated from one-another.

Not everyone is good at everything.

No one can read your mind.

### Setting working-style expectations

I work best...

At night	In the morning	With music	Quietly	Talking	Silently	In short bursts	In long blocks
With lights	In the dark	ln a fast pace	ln a slow pace	With alcohol	Dry	With smoke breaks	Smoke free
		pace	ματε			Dreaks	
With headphones	Without headphones	ln a messy space	ln a clean space	With structure	Freeform and loose		

### Hitting problems head on

		Big problem
Small problem Small consequences		Big consequences
Unemotional	-	Emotional
Easy solution Support		No solution
		Resentment

### **Taking breaks**

### "I need to take a break."

# Your projects will fail because of lack of collaboration, poor communication, and inefficiencies in working process.

### Stop talking and make something

When you make something...

You work through complexity

You solve problems and identify new problems

You make a commitment

You form a perspective

You give shape to ideas

### Timeboxing

"We have 45 minutes to do this. After 45 minutes, we stop, no matter where we are."

### **Project planning**
